Welcome Back

Welcome back! We hope you all enjoyed the Easter break and are looking forward to a very exciting last term in St. Mochta's.

Green Schools

Congratulations to all involved in our school achieving its 6th Flag, the Bio Diversity Green Flag. We are very proud of all our students, in particular, our Eco Warriors who worked with Ms. Carroll to ensure everything was prepared in advance of our school visit.

One Way System

Many thanks for your cooperation in implementing the new one-way system. It is working well and we would encourage you to drop your children to their line and leave straight away in order to prevent congestion when leaving the school in the morning.

Turning of the Sod

There will be a turning of the sod ceremony on Friday 28th at 9.30 am, to which you are all invited. It promises to be a most memorable event to mark a new beginning for St. Mochta's National school. Refreshments will be provided in the hall afterwards. Thanks to our PA for organising this.

Build Sub Committee – Appeal for Parents with relevant skills

The Board of Management would like to establish a Build Sub Committee and we are asking members of the parent body to join this committee. The group will meet regularly throughout the construction of our new school. Civil Engineers, Quantity Surveyors or any parents with a skillset are welcome. If you have a particular skill, which may be relevant and might benefit the school going forward, we would welcome your assistance. If you are interested, please email the school at st_mochtas@eircom.net

1st Holy Communion Receptions

1st class parents should have received a letter requesting parental help with the refreshments for both the 6th May and 20th May. Refreshments will be in the parish hall, behind the church, and we need as many helpers as possible for both dates, from 9.15- 12.30.

Please email parentsassociation@gmail.com with your preferred date and time you can offer to help at either/ both of these receptions.

Many thanks as always. The PA committee

2nd Class Communion Project

Our 2nd classes are busy preparing for their Communion and are working on a very important project. They are kindly asking anyone who may have magazines at home, to have a look through them and pull out any pages that contain the colours blue, yellow or red. If these could be sent in to Ms.Schmidt or any other 2nd class teacher, it would be much appreciated.

Sports

Best of luck to all the pupils who will be representing our school in upcoming hurling, soccer and cricket matches. We wish everybody the best of luck. Thank you to all the teachers who helped prepare the children for the games.
