## Parking in the Clonsilla Inn Car Park

Thank you to everyone who parks your car with careful consideration of safety for others. However, recently there have been a number of complaints from the management of the Clonsilla Inn about parents parking to the front of the pub. The Inn has requested that the front car park should be kept free for their customers.

Other issues arisen in their carpark- carless parking, blocking of the car park entrance gate, cars being damaged due to carless parking. The management have now organised a clamping service on site from 1.30 and 2.30 collection times. It is a great shame that they feel this is necessary. We are very fortunate that they kindly allow use to use their rear carpark every afternoon.
