Garda Vetting for Volunteers in School

The Board of Management have recently reviewed our Child Protection Policy. Under Child Protection Guidelines, volunteers in a school require Garda Vetting. Our Parents Association have already been Garda Vetted. We are so grateful to all of our parents who volunteer time so generously to help in our school. We would not be able to organise so many exciting school events without your continued support. We would like to invite all our volunteers to become Garda Vetted. If you help with walking children to and from church, library visits, swimming, driving to matches or accompany children on school tours etc... please get a Garda Vetting Form from school reception. All forms are strictly private and confidential. If you have any queries please speak directly with Ms. Farrell. We thank you in advance for your support with this very important matter.
