Girls Football

We had a great start to our league on Wednesday last. It was an exciting match with a nail-biting finish. The result was a well-earned draw. Thank you to all our wonderful parents who transport the team and give very positive support on the side-lines.

Seasonal Illnesses

Schools play a critical role in protecting the health of their students, staff and the community from contagious coughs and colds and tummy bugs. Please do not send your child to school if he/she presents with such illness. Please inform the class teacher of any absences involving your child at all times. Many thanks.

Appointment to see Class Teacher

If you ever have a concern, please contact the school to make an appointment. Do not detain the Class Teacher at the line or go to the class. It is important that you let the teacher take the class in from the yard and parents exit through either gate 1 or 2 and do not follow the class into the school. As ever we appreciate your co-operation in this matter.

Gate 1 Line Up

We kindly remind parents/guardians who line up at gate 1 at the 1.30pm collection to wait patiently and in an orderly fashion until the gates are opened. Parents are asked to keep in line while entering the school gates and to be mindful of small children and buggies. Please note that double parking outside is forbidden and causes unnecessary obstructions and confrontations.
